Welcome to the Livingstone Online Blog. Here you'll find the latest news on developments at [Livingstone Online](#). We have a number of transcripts that we will shortly be publishing online, including those from the Dundee Central Library and the completion of the entire collection held at the Royal Naval Museum in Portsmouth.

About Me

[Livingstone Online](#)

Livingstone Online is an ongoing project that provides access to the manuscripts of the missionary, doctor and African explorer David Livingstone (1813-1873). We currently offer images and detailed transcriptions of many of Livingstone's letters, and we aim to make all of his manuscripts - including his diaries and journals - freely available online. We also run a transatlantic collaboration to apply spectral imaging and processing to restore a series of faded, illegible texts produced by Livingstone during his last travels (1866-1873).
